### Soup & Pie - Update/Review/Successes/Ideas:

Julie reported a profit of about \$1,581. This is about \$30 more than last year

Leftovers were sold (soup and sandwiches).

"Gluten free" crackers and desserts need their own table

Could charge \$10 next year.

Possibly serve bowls up and have them setting there. If we do that, stick with the small sized bowls.

Dianne and her crew would be head cooks again.

Everyone was great help! We could have used a few more hands during clean-up.

It was good to move the S&P back to Sunday.

No lemonade next year - it just didn't go over well and there was a lot left over.

There are lots of take-out styrofoam clamshells left for next year.

### **New Business:**

Membership booklet: Mary brought copies for promoters to look through and make more corrections if needed.

Youth Group Holiday Cooking: Motion by Julie to pay for the baking ingredients so that the Youth Group can make up these goodies and deliver them to elderly/shut-in from our parish. Margaret second. Motion carried. Nancy Block approached CKAS about this event.

Knives: Discussion - it was noticed during the S&P that our kitchen knives need to be updated. It was brought up that Rada knives will be sold soon as a Prom fundraiser. Many good remarks about these knives from the board and that it would be good to help the kids if we are in need of buying knives anyway. More about this at the December meeting.

Christmas gifts for CCD students: Motion by Robin to prepare goodie bags (fruit, candy cane, movie ticket) for each CCD student, K through Confirmation. Peanut second. Motion carried. Julie and Margaret offered to work on this. They will send out a text on the day they plan to assemble them just in case anyone else is available or wants to help.

Christmas gifts: Motion by Robin, Second by Peanut to give monetary gifts to clergy, CCD teachers, organists, parish staff, and charities. Motion carried

Kitchen cleaning date - discuss further at December meeting.
